OVERLAND PARK REGIONAL MEDICAL CENTER TO PRESENT HEALTH-RELATED PROGRAMS THROUGH JUNE AND JULY AT WONDERSCOPE

WHAT: Wonderscope Children's Museum of Kansas City has partnered with Overland Park Regional Medical Center – part of HCA Midwest Health, Kansas City's leading healthcare provider – to host four presentations throughout June and July for its Summer Wonder Program to help kids become comfortable with being in a doctor's office or a hospital environment. Their visit also allows for interactive role play in doctor/patient situations.

The Overland Park Regional Medical Center Child Life team has planned a presentation about bone health. Kids will learn about x-rays and how the machines are used at the hospital. They also will be bringing Beanie Babies for the kids to apply casts and decorate them.

WHEN: 10 to 11 a.m., Thursday, June 8
Additional presentations:
10 to 11 a.m., Thursday, June 22
10 to 11 a.m., Thursday, July 6
10 to 11 a.m., Thursday, July 20

WHERE: Wonderscope Children's Museum
5700 King St.
Shawnee, Kan. 66203

About Wonderscope Children's Museum of Kansas City

Founded in 1989, Wonderscope Children's Museum of Kansas City provides fun, dynamic and hands-on exhibits and programs that integrate the arts, sciences, literature and music for children 10 years of age and younger, their parents and teachers from across the metropolitan area. Its mission is to spark a lifelong love of learning through the power of play. To learn more, visit www.wonderscope.org, like at [Facebook](#) or follow on [Twitter](#).
