Tuesdays
10:30 a.m.
2:00 p.m.

CIRCLE TIME

Structured active play is one of the most important ways that young children learn, and Circle Time offers countless opportunities for engaging even the youngest of learners!

BENEFITS OF CIRCLE TIME INCLUDE:

Social Skills
- peer relationships
- taking turns
- sharing
- social communication

Readiness Skills
- sustaining attention
- listening directions
- following directions

Academic Skills
- recognition of letters
- numbers
- shapes
- colors

Parent-Child Bonding: when caregivers participate in Circle Time with their children, parent-child bonding is intensified and children learn how to better regulate their emotions and impulses through the co-regulation experience.
**MUSIC & MOVEMENT**

Did you know that Music & Movement has great brain building benefits for children of all ages? Our Music & Movement class engages both hemispheres of the brain!

**BENEFITS OF MUSIC & MOVEMENT INCLUDE:**

**Social Skills**
- peer relationships
- awareness of self
- personal space
- shared space

**Motor Skills**
- fine motor
- gross motor
- body awareness
- balance

**Readiness Skills**
- improve memory
- focus attention
- acquire language
- follow directions

**Academic Skills** like math and literacy are embedded in lessons to enhance learning. So what are you waiting for? Come sing, dance and play with us!
ART TIME

It is no secret that kids love art! Did you know that participating in art can have an enormous impact on your child’s growth and development? When children are exposed to any artistic activity, the brain is stimulated from sounds, movements, colors, and sizes; neural connections increase and the brain is exercised and strengthened!

**BENEFITS OF ART TIME INCLUDE:**

- **Executive Skills**
  - build memory
  - sustain attention
  - decision making
  - problem solving skills

- **Fine Motor Skills**
  - painting
  - cutting
  - gluing
  - coloring

- **Readiness Skills**
  - spatial reasoning
  - explore sizes
  - shapes
  - evaluating
  - comparing objects

**BONUS:**
Children can keep their projects and proudly display their art at home!
Fridays
10:30 a.m.
2:00 p.m.

STORY TIME

Story Time is one of the richest learning experiences for young learners. Did you know reading books out loud to your child helps develop their reading skills long before they are able to read? Join us for a captivating read-aloud!

BENEFITS OF STORY TIME INCLUDE:

**Cognitive Skills**
- creative thinking
- imagination
- curiosity

**Language Skills**
- sounds
- words
- language

**Literacy Skills**
- vocabulary
- new ideas
- new concepts

**BONUS**: A creative arts activity will be introduced after each story to help reinforce learning and boost memory skills through art, dramatic play, theater or puppetry!
