Construction Update

Construction of the new Wonderscope Children’s Museum is moving along nicely. To keep you up to date on the progress, we created a web page featuring a time lapse video, which will be regularly updated. Check it out! If you would like to see your name on a special wall in the new museum, click here to learn how.

Wonderscope for the Holidays

We've decked the halls of Wonderscope and are ready for your holiday visit! Bring the whole family in to enjoy the exhibits as well as a variety of seasonal programs and pop-ups. Plan your visit.

3 Great Gift Ideas

1. Give them a year of unlimited fun with a Wonderscope Gift Membership. Memberships start at just $70 and will transfer to the new Wonderscope when it opens fall

2. Stuff stockings with a Wonderscope Gift Card. Stop in and pick up a card loaded with the amount of your choice.

3. Surprise them by putting their name on a special wall in the new Wonderscope Children's Museum! Simply make a donation to the new Wonderscope in their honor. Learn more.

**WonderEve Concert and Celebration**

Come celebrate “Noon Year’s Eve” at Wonderscope! Doors and exhibits will be open 9-11am. Doors close at 11am, when Mr. Stinky Feet, Jim Cosgrove, takes the stage. At noon, we’ll ring in the New Year with noisemakers and a confetti blast. (The museum closes after the celebration.) Bring your family and friends, and bring your appetite. The Waffler food truck will be here selling their yummy waffles and sausage links.

Support Wonderscope As You Shop!

We're participating in the Target Circle program. You can vote for us and help direct Target's giving to benefit our nonprofit. For full program details and restrictions visit Target Circle.

AmazonSmile is a simple and automatic way for you to support Wonderscope at no cost to you. When you shop at smile.amazon.com, you'll have the same shopping experience as Amazon.com, and Amazon will donate a portion of your purchase price to Wonderscope.

Is it the stomach flu or appendicitis in disguise?

Stomach pain is the most common sign of appendicitis. It is also a familiar sign of a stomach virus. Here are ways to distinguish symptoms, from Corey Iqbal, MD, Medical Director, Pediatric and Fetal Surgery with Overland Park Regional Medical Center.
